

PRESS RELEASE: For Immediate release

Chamber announces Professional Development Training Series Collaboration

Monday, 9 October 2017

(Hamilton, Bermuda): The Bermuda Chamber of Commerce is pleased to announce its working partnership with Bermudian owned firm OD Solutions International to offer a series of unique Lunch and Learns and half-day workshop sessions aimed at inspiring growth and refinement within the local workforce. The pilot professional development series is due to take place from October 2017 to January 2018 and will be extended throughout next year based on demand.

A spokesman from the Bermuda Chamber said, “In the words of Julia Gillard – our future growth relies on competitiveness and innovation, skills and productivity...and these in turn rely on the education of our people.”

The Lunch and Learn sessions will touch on key areas such as Time Management, Team Motivation and Stress Management, while the Half-Day sessions will give registrants the opportunity to dive even deeper into topics like Strategic Planning, Enhanced Goal Setting, the Secrets to Building Effective Teams and Building Personal Brands. All sessions in this series will be facilitated by Denise Riviere, Chief Executive Officer of OD Solutions International.

Denise has worked with various local and international clients on strategic planning, team building, team development, work behavior assessments, culture development, workshop facilitation, business process reviews, coaching, and training. Her company is well-known for effectively engaging employees in their own process of solving problems, addressing concerns, developing teams, and revitalizing work cultures.

“I commend The Bermuda Chamber of Commerce for taking a vested interest in the development of employers and employees across Bermuda. It is so easy to get caught up in the chaos and stress of our normal daily routines that we forget to stop and feed our minds. I encourage everyone to refresh your mindset regularly and be open to new philosophies on growth so that your path to personal and professional development is energized” said Ms. Riviere.

More information on this series of Professional Development lunch and learns and workshops can be found on the Bermuda Chamber of Commerce website www.bermudachamber.bm or by searching ‘The Bermuda Chamber of Commerce’ on Facebook. Those interested in registering can also contact Mr. Korrin Lightbourne by email at klightbourne@bcc.bm or by telephone at 295-4201.
