QuickBooks Online: Lunch & Learn

Monday, May 30 2016

(Hamilton, Bermuda): On Friday, June 3, in conjunction with CellOne, the Bermuda Chamber of Commerce will host a Lunch & Learn for businesses to learn how to utilize QuickBooks Online.

Quickbooks is an accounting tool many small, medium and large businesses use to manage and keep track of their finances, everything from payroll, to sales sheets. As many businesses are now looking towards cloud systems, small businesses owners on the go, learning to utilize this tool which will allow access regardless of location, is sure to improve productivity.

Kendaree Burgess, Chamber Executive Director states; “We are pleased to offer our members a wide variety of learning options to help improve their business processes. The Bermuda Chamber of Commerce is dedicated to helping local businesses thrive; learning to utilize tools to make money management easier is just one step in doing so.”

The course, which will be instructed by QuickBooks Pro Winnelle Simons, is designed and geared toward busy accountants and business owners who manage their own finances.

QuickBooks Online is designed to be used on the go; attendees are encouraged to bring their own mobile device, cellphone and/or tablet.

Fees for this course are \$20 for members of the Bermuda Chamber of Commerce, \$40 for non members. For more information or to register, contact the Bermuda Chamber of Commerce at 295-4201 or email slee@bcc.bm.
